Dear friends

We're happy to announce the next edition of "Cosmogym Summer 4all" which takes place every year. Opening ceremony, group performances, beach volley, excursions, welcoming party are some of the activities which take place. Cosmogym "Summer 4all" is organized in collaboration with Municipal, Public and Private Organizations in Loutraki, a destination near Athens and next to beautiful places and beaches.

### **What is Cosmogym Summer 4all?**

Cosmogym Summer 4all is an international, non-competitive gymnastics for all festival in Greece. Our goal is to unite participants from all over the world while giving them the opportunity to perform on an international stage.

For a whole week the city of Loutraki welcomes gymnasts and teams who are excited to fill their days with gymnastics, spend time at the beach, meet new people and make unforgettable memories.

With team performances, workshops, excursions, beach activities and parties, Cosmogym Summer 4all is the perfect summer destination for gymnastics teams around the world.

Participants spend their mornings by going to the beach, taking part in workshops or exploring Greece by choosing one of our excursions. In the evenings, teams perform their routines on our custom-built stage in the beach park of Loutraki.

Our stage is specially designed for the purposes of the festival, with a backdrop no other than the amazing sunset of the Corinthian Gulp. Colored led lights, robotic heads, lasers, fog machines and more, compose an impressive scene, highlighting the dance and gymnastics performances in a spectacular show.

We offer a chance for participants of different nations, cultures, color and ages to meet, exchange new ideas and make friendships while sharing their love for gymnastics.

Everyone is welcome, sports teams, groups from gymnastics clubs, schools, universities and municipalities can take part in Cosmogym Summer 4all. Team performances and choreographies can have elements of artistic or rhythmic gymnastics, acrobatics, trampoline, modern and classic dance, jazz, folklore, rope skipping and any other form of gymnastics, with usual or unusual apparatus.

So, if you are interested to enjoy the sun and the sea of Greece this summer and be a part of this big international gymnastics festival, send your Notification of Interest as soon as possible!

Yours in Sports,

Simeon Skouteris  
Cosmogym O.C. president

- **Our host city - Loutraki**

At the foot of Mount Geraneia, built in the northern part of the Corinthian Gulf's cove, lies Loutraki, a seaside town which is internationally known for its thermal springs. Loutraki is a popular vacation resort and offers a variety of tourist attractions as well as beach bars, cafes and night life.

It is located about 80 km away of Athens and close to the famous Corinth Canal. A water fun park is a few miles away, which features water entertainment for kids and adults.

You can try out all the greek specialties, like souvlaki, greek salad, mousakas or fresh sea food in taverns and restaurants by the sea. And in the evening, you will get to experience one of the most beautiful and magical sunsets that you have ever seen.

**Accommodation Info**

Our Accommodation & Transportation Package includes a 5-night stay in a hotel, from June 30 until July 5, with five breakfasts and lunches provided.

You may choose to arrive before or depart after the festival dates; however, extra nights include only breakfast. Teams may add extra lunch or dinner upon request. The prices for additional meals will be available from January 2026.

The package also includes one group transfer from/to Athens International Airport with shuttle buses. For individual arrivals, if the arrival time does not align with any other team's scheduled transfer, an additional transportation cost will apply.

The selected hotels for Cosmogym Summer 4all are located both in the center and on the outskirts of Loutraki. Due to a limited number of rooms, registrations and hotel reservations will be handled on a "first come, first served" basis.

During Pre-Registrations, you can choose between 3-star and 2-star hotel options. Please note that 2-star hotels are limited in availability and will remain an option until February 28, 2026, or until fully booked.

Most hotels offer double and triple rooms, with a small number of 4-bed or single rooms available. During Pre-Registrations, room allocation will be distributed as evenly as possible among double and triple rooms, based on overall availability.

During Final Registrations, you may state any specific preferences regarding room types (e.g., single rooms). The final room allocation will be confirmed by us according to hotel availability at the time of Final Registration and may differ from the preliminary allocation provided during Pre-Registrations.

Due to the ongoing economic uncertainty, setting prices far in advance has become challenging. While we are making every effort to keep our rates unchanged, please note that a slight price adjustment may be necessary. Thank you for your understanding.
